Editor's Message

Dear Student Body,

We, the '67 LEOPARD Staff, hope you have made some great memories for yourselves at high school. For some, this book will contain the memories of their first year at G.H.S. For others the '67 LEOPARD will be the last memento of high school life. In this book, we have tried to aid all in retracing their activities through a year at high school.

The "Challenge To Be" is the challenge to exist. Each of us is confronted with these challenges each day which are presented to you on the following pages of this yearbook.

Here, then, is the '67 LEOPARD--the story of one year at Gainesville High School.

Mr. Wilburn O. Echols

My dear students,

It is your duty to seek an early mission in life.

People are sick; people are hungry; people are groping in darkness. Many of your neighbors need service and leadership.

You were sent into this world to do something worthwhile. The surest way to find your mission is to start serving at every opportunity.

A person who lives by God's laws and does his very best each day will find his happiness now and forever.

Personalities

Mike Rosenberg

Cheryl Lehnertz

Student Body Elects Campus Favorites

The ability to lead, as well as follow, led the students to elect Mike their Student Body President.

His love of sports was demonstrated many times by participating in football all four years. In his junior and senior years he lettered in football.

As a result of four years of cooperation, support, and participation, his fellow students elected him Campus Favorite.

An abundance of school spirit and an outgoing personality are good descriptions of Cheryl Lehnertz.

Cheryl served on the Student Council and held the office of secretary. For the Red and White, her class elected her cheerleader her sophomore, junior, and senior years.

Cheryl's high school years have been filled with activities and responsibilities which she accepted joyously. This paved the way for her nomination for Homecoming Queen.

Her outstanding quality to give to the students and school, inspired the student body to elect her Campus Favorite.

Buddy Echols

Cheryl Lehnertz

Senior Class Favorites

High standards of sportsmanship, a spirited ability to lead, an easy-going personality, and a fun-loving manner describe Buddy Echols.

Buddy has participated in sports all four years. He led the Leopards in football, basketball, and track.

His fellow students elected him president of the Senior Class, as he proved himself a true leader. He also served as vice-president of the Student Council.

His many honorable characteristics gained him the respect of his teachers and friends and prompted the Senior Class to elect him class favorite.

Because of her participation and willingness to work, Cheryl Lehnertz was elected vice-president of her class this year. She was also secretary of the Student Council. Her warm smile led her to the task of Senior cheerleader with her enthusiasm leading the Leopards in spirit.

Her charming personality won her the honor of Senior Class favorite.

Homecoming 1966

Highlights Season's Activities

Homecoming Week activities began with the nomination of four Senior girls for Homecoming Queen. The nominees were Nancy George, Cheryl Lehnertz, Madeleine Szteiter, and Candy Morrison.

The parade and pep rally boosted Leopard spirit and each nominee was presented with a mum by her escort.

During the halftime of the game, the candidates were escorted onto the field by members of the Key Club. Candy Morrison was crowned Homecoming Queen 1966. She later reigned at the Homecoming Dance held at the Community Center after the game.

What's the matter, haven't you ever seen a teacher dance before?

I don't care who your Dad is, my tie is prettier than your tie.

You had better hold tighter Sparky; you see what happened the last time you let go.

We realized that you were surprised Candy, but this is ridiculous.

Leopard Follies is Student Council Money Raiser

The Leopard Follies, under the direction of the student-council, was a successful attempt to unite the performing bodies of the Gainesville Public Schools. Both the choirs and bands from high school and junior high performed along with the choirs from the various elementary schools. The White Waves provided the dance routines.

The theme of this year's Follies was centered around television, and members of the student council provided commercials.

Beverly Magee reminds everyone to help keep America beautiful by portraying "Susan Spotless."

Officers of the White Waves give a dance routine. The girls are from left to right: Pam Murrell, Melissa Lewis, Kathy Barnes, Gilda Green, and Paula Buck.

Rebecca Molsbee jumps for joy at the chance to show her dancing ability.

Belinda Reed waits her turn to perform with the White Waves.

Bobby Dennis tells his reasons for using a new mouthwash. Met any new friends lately, Bobby?

David Howeth behind the scenes.

Sounds of the Hills Ring Anew as Choral Department Presents: "Li'l Abner"

General Bullmoose is played by Bob McLeroy.

The Gainesville High Choral Department presented the musical "Li'l Abner" on March 16-17, 1967. It is the story of a backwoods community, Dogpatch, and its struggle to survive. It has love in the form of Daisy Mae, excitement in the form of General Bullmoose, determination in the form of Mammey Yokum, and courage in the form of Abner Yokum. The efforts of Mr. Wilson and the Choral Department made this production a success.

Dick Powell, as Marryin' Sam, and Cheryl McPherson, as Daisy Mae, bid farewell to the wives.

Class Night Activities Stir Emotion

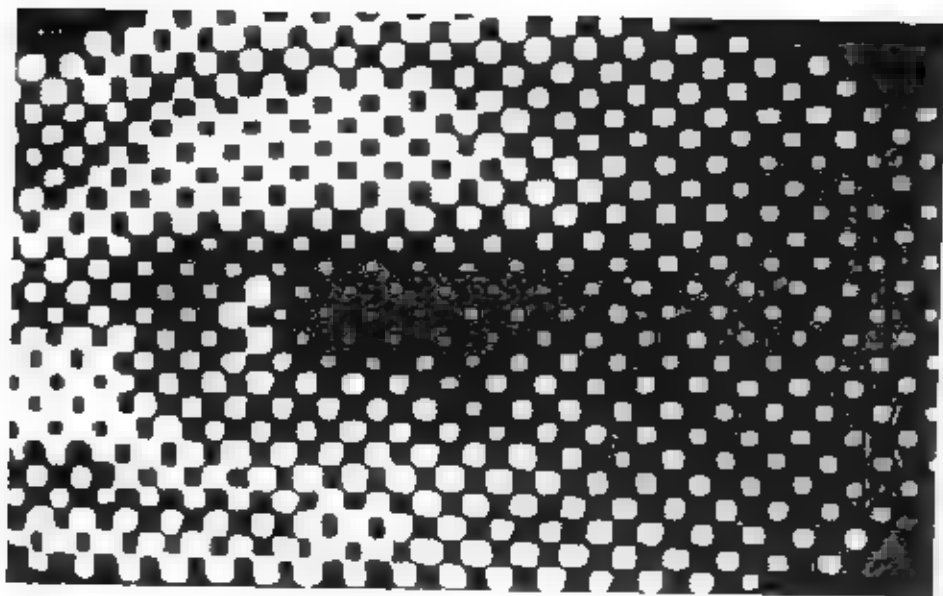

The key chain links the solemn-faced Seniors together as they file in for Class Night.

Stephanie Blanton's tears are only one of many emotions displayed at Class Night.

Mimi Marler and Joe Ingram seem to be lost among the parents after Class Night.

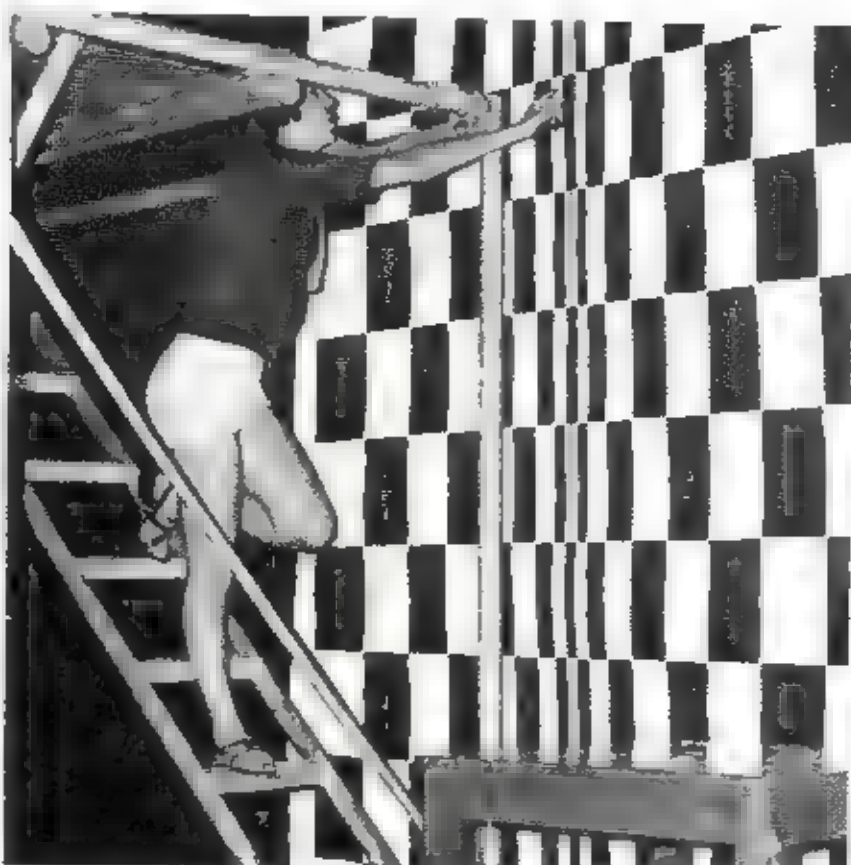

For all of those who didn't believe that there was an eye on the north wall, well, here it is.

It looks like the music seems to be getting to some of our moony-eyed friends.

A toast -- to Graphic 67.

Nancy George, along with other members of Sr. class, spent long hours of hard work decorating for the prom.

Nancy Belcher and escort are engaged in dancing, or is it fighting?

'67 Prom Goes Graphic

Everyone seems to enjoy the music furnished by the Bedbugs.

had when we were poor and unknown. Raise
whatever you want to this year and have
a blast. Good Luck,
